

## **SAINT FRANCIS OF ASSISI PARISH**

---

The Pope says that we must bless one another.  
For this I bless you in the name of the Father, the  
Son and the Holy Spirit.

I bless you, your heart, your life, your health, your  
home, your family, your job, your finances, your  
plans, dreams, future and peace. In the name of  
Jesus.

Now choose who you want to bless.
